

PERMISSION FORM USAGE PHOTOS & VIDEOS

Under the terms of the General Data Protection Regulation (GDPR), we ask you in advance if we are allowed to take photos and videos and what we may use them for. This way we want to avoid misunderstandings about whether the footage may be used.

What do you give permission for?

With the consent form below, we ask you to indicate whether we may use your footage. The consent form shows you when we want to take photos and videos and what we want to use them for. We will contact you if we want to use footage for a purpose other than that stated in the statement.

How long will your footage be kept?

We keep your photos and/or videos in a secure digital archive for an unlimited period. Our archive is only accessible to editors and board members. Of course you can always (temporarily) withdraw the permission you have given. If you withdraw your permission, no footage of you will be used or shared after that.

Thank you for your cooperation!
