

PERMISSION FORM USAGE PHOTOS & VIDEOS

Under the terms of the General Data Protection Regulation (GDPR), we ask you in advance if we may take photos and videos of your child and what we may use them for. This way we want to avoid misunderstandings about whether the footage may be used.

What do you give permission for?

With the consent form below, we ask you to indicate whether we may use footage of your child. On the consent form you can see when we want to take photos and videos and what we want to use them for. We will contact you if we want to use footage for a purpose other than that stated in the statement.

How long will the footage be kept?

We keep photos and/or videos of your child in a secure digital archive for an unlimited time. Our archive is only accessible to editors and board members. Of course, you can always (temporarily) withdraw the permission you have given. If you withdraw your permission, no images of your child will be used or shared thereafter.

Thank you in advance for your cooperation!
